ORDER

This matter is before the court on the defendant's motion (Doc. 15) for a 60-day extension of the pretrial motion deadline for the reason that she may get enrolled in a drug treatment program. There is no connection between one's enrollment in a drug treatment program and the ability for counsel to file the pretrial motions contemplated in paragraph 3 of the case progression order (Doc. 11). Thus, the court finds that the defendant has not shown good cause for the lengthy continuance requested.

IT IS ORDERED that defendant's motion (Doc. 15) is denied.

DATED May 20, 2009.

BY THE COURT:

**s/ F.A. Gossett
United States Magistrate Judge**
